

Researcher

A Multidisciplinary Journal

In the present scenario it has become pertinent for institutions of higher learning to provide a platform where all the disciplines are articulated in a manner where they have their own clearly demarcated space and yet have room for dialogue, collaboration, contestation, confirmation or negation across disciplines and this necessitates the multidisciplinary approach of the journal “Researcher”.

AIMS AND SCOPE

Researcher is a bi-annual, multidisciplinary and refereed (peer-reviewed) Journal of University of Jammu that seeks to provide a specialized academic platform and reference for the dissemination of research in the broad areas of academic disciplines including Science and Technology, Arts and Humanities, Social Sciences and Business Studies. This includes both qualitative and quantitative empirical work, besides theoretical and conceptual contributions. The ambit of the Journal is international and submissions are subject to blind peer review process. The editorial policy of the Journal is to invite the manuscripts from academicians, researchers, policy makers and practitioners. The publication is intended for readers including litterateurs, academicians, educationists, professionals, policy makers, research scholars and students.

PUBLICATION POLICY

- All the manuscripts would be considered for publication only if they fall within the ambit of Aim and Scope of the Journal. The manuscripts would be accessed on the basis of:
 - a) Originality;
 - b) Relevance;
 - c) Quality of research;
 - d) Research contribution and applied significance.
- The Journal does not levy any submission/publication charges. Further, the author shall be given a complementary contributor’s copy of the Journal.
- Disclaimer: The views expressed in the Articles in the Researcher do not necessarily reflect opinion of University of Jammu. Articles published in Researcher should not be reproduced/ reprinted in any form without prior written permission. Copyright © University of Jammu, Jammu.

PEER REVIEW POLICY

This Journal operates a double blind review process. All contributions are initially assessed by the Editorial Board for suitability for the Journal. Manuscript deemed suitable is then typically sent to a minimum of two independent expert reviewers to assess the quality of the paper. The Editorial Board is responsible for the final decision regarding acceptance or rejection of manuscript based on the reviewers’ comments. The Editorial Board’s decision shall be final.

INSTRUCTIONS TO THE REVIEWERS

- The submitted manuscript is a privileged communication and reviewers must treat it as confidential.
- The reviewer must not (or allow anyone else to) retain/copy or share the manuscript with any one without the explicit permission of the Editor.
- The reviewer shall not disclose his/her identity and the review outcome with anyone other than the editor of the Journal.
- The reviewer must return the reviewed manuscript within two weeks from the date of the receipt.
- **Evaluation Criteria:** The criteria for evaluating a manuscript encompasses the evaluation of the attributes as given in the following manuscript review form:
