About the IEEE

The Institute of Electrical and Electronics Engineers Inc (IEEE), the world largest professional society, headquartered at USA with a mission "to foster technological innovation and excellence for the benefit of humanity has been actively promoting various academic activities involving dissemination of state-of-the-art knowledge in areas of Electrical, Electronics and Telecommunication, computer, Instrumentation, IT and other related technologies. The Electron Devices Society (EDS) began in 1952 as a committee of the Institute of Radio Engineers (IRE). With the merger in 1963 of the IRE and the American Institute of Radio Engineers, EDS became a technical group under the newly formed IEEE. In 1976, EDS became a society of IEEE. It sponsors many technical periodicals, provides support for technical meetings and has its own business office at New Jersey, USA. The IEEE-EDS Delhi chapter is an active chapter and conducts different student's activities relating to Electron Devices and conducts IEEE sponsored Mini – Colloquium every year. This is an opportunity to conduct the 2nd activity under IEEE EDS Delhi Chapter under IEEE Region-10 at the University of Jammu.

About the University of Jammu

The University of Jammu, accredited as 'A+' Grade University by National Assessment & Accreditation Council of India came into existence in 1969 vide Kashmir and Jammu Universities Act 1969 following bifurcation of the erstwhile University of Jammu and Kashmir. The University provides instructions in such branches of learning as it deems fit and makes provision for research and the advancement and dissemination of knowledge. The University stands for spiritual and material elements in life, thirst for knowledge and virtue under the backdrop of holy peaks of Trikuta Hills.
